eLitmus Online pH Test & Technical Test

20 January 2021

eLitmus Practice Test for batch 2021 has been scheduled on 24 January' 2021.
Batch: B.Tech (CSE/IT/CSIT/ECS)

Test	Browser to Use
pH Test	PAC Exam Browser
Technical Test	Firefox/ Chrome Latest Version

Important Note:
- Attendance is mandatory.
- **"Invite code"** for the actual test will be sent at least 15 min prior to your test schedule.
- It is recommended using a Laptop/Desktop computer which has power backup for minimum 2 hours to avoid the hassle if there is a power failure in between the time of test.
- Close all your Tabs before taking the test and also do not navigate between Tabs during the test.
- Working Webcam and Microphone is mandatory.

pH Test Instructions:
- You will be able to attempt this test only once.
- The test can be taken only by PACExamBrowser. Download the browser at: [PACExamBrowser](#)
- On your welcome page, enter your **"Invite code"** & login using your eLitmus credentials.
- Click **"BEGIN"** and proceed by following the on screen instructions.
- Click on **"End section"** to submit your test.
- Click on **"Quit Test"** on the assessment dashboard to terminate the PACExamBrowser window.

Technical Test Instructions:
- Use latest version of MOZILLA FIREFOX or GOOGLE CHROME.
- Visit: https://www.pacreception.com
- Enter the invite code, login using eLitmus credentials & begin.
