"Amazon WoW"

DCEGGN/TNP/2023-BATCH   **April 5, 2022**

Opportunity for Women Candidates to enhance Learning with Amazon WoW Program.

This is how you will take part in it…

Amazon India invites all women tech students from 2nd, 3rd and 4th year engineering to register on Amazon WoW platform.

As part of this women networking platform for tech students, you will get opportunities to attend live coding sessions, tech talks, leader connects, job and internship opportunities from Amazon India.

1. Interested women students are required to register on the portal.
2. The Amazon WoW program aims to engage and connect with registered participants on an ongoing basis. The events will be conducted virtually and the list of events for every quarter will be published in the events section.
3. Each session will have limited number of slots and will be filled through RSVP. Participants   will have to register for each session to be part of the live session.

You Just Don't Win Gifts, You Win Career!!!

For Registration, please follow link

https://amazonwowindia.splashthat.com/

Note:

- All the students should appear for the process in formal attire.
