

AWS DeepRacer Student League – India 2022

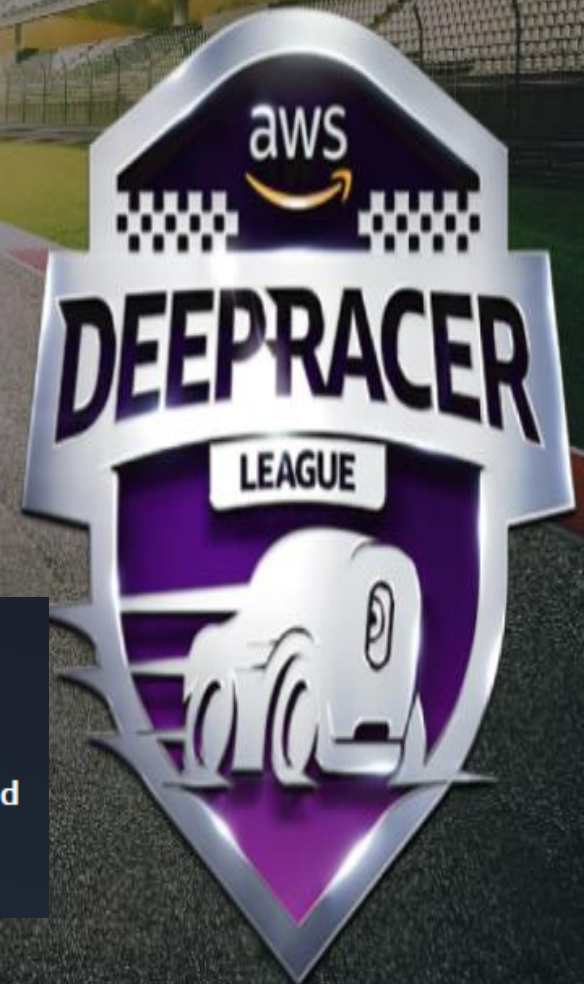

The race to the future workforce begins now

[REGISTER NOW](#)

Welcome to a virtual autonomous racing league, driven by Machine Learning (ML). It's time to skill yourself in ML and Reinforcement Learning (RL). Developers of all skill levels can get hands on with machine learning through a cloud-based 3D racing simulator.

Eligibility

- Students currently enrolled with a recognized academic institute in India and above 18 years in age.

Registration Deadline: 15 July, 2022
