

Drowsy students detection

-  1st Prize: 10k
-  2nd Prize: 7.5k
-  3rd Prize: 5k

Hack the build

Hackathons are a great way to polish your coding skills, proficiency, and team-building skills. If you thrive on such problems, then Hack the Build is exactly the place for you. It's a place where students from all over India participate in teams to brainstorm solutions for challenging problem statements provided by us.

Registration Deadline: 29th April, 2022
