Shine at the Onsite event while presenting your project! — 06

The Internet Computer Protocol (ICP) is transforming the internet, ushering in serverless cloud capabilities for the public web. Crewsphere: ICP India Hub invites developers, startups, and blockchain enthusiasts to unite in our mission. We're bridging the gap between Web 2.0 and Web 3.0, aiming for a decentralized digital future.

A chance to win USD $35k prize pool !

STARTS ON: Oct 21, 2023

ENDS ON: Nov 26, 2023
