

mimamsa 2023

be in-quiz-itive

Mimamsa is a national level annual science competition organized by the students of IISER Pune for students at the undergraduate level. Mimamsa is arguably one of the toughest science competitions at the undergraduate level, and tests the concepts of its participants, rather than simply facts, leading its witnesses to go back to the basics and unravel the science behind the science we study.

Win prizes upto 1.5 lakhs*
