

INNOVATE | IMPLEMENT | IMPROVE

Prometeo 2023 is the third edition of IIT Jodhpur's
National Technical + Entrepreneurial Festival. Prometeo
derives its name from the Greek word for forethinker, and
celebrates disruptive technologies through talks,
workshops, and competitions

THEME

Technology has been the heart of the development of the human race from the very beginning and is speculated to be its heart till infinity. The theme of Prometeo 2023, "Origin to Infinity" is centered around the same thought where we explore what technology has been in the past, what it is now and what it can be in the future.
