**The Annual Quality Assurance Report (AQAR) of the IQAC
(For Affiliated/Constituent (UG) Colleges)**

Institutions Accredited by NAAC need to submit an Annual self-reviewed progress report i.e. Annual Quality Assurance Report (AQAR) to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the IQAC at the beginning of the Academic year. *The AQAR period would be the Academic Year. (For example, June 1, 2017 to May 31, 2018) (with effect from academic year 2020-21)*

2. Institutional Preparedness for NEP 2020

(Description in maximum 500 words)

1. Multidisciplinary / interdisciplinary:

The college aims at multidisciplinary and interdisciplinary approach whereby students are motivated to utilize their intellectual, aesthetic, social, physical, emotional, and moral knowledge in an integrated manner. The multidisciplinary education system aims to develop overall personality of students. At the same time the institution is also prepared to work on interdisciplinary approach. Students are gauged on their ability to research and learn based on problem-solving and activity-based education, to incorporate necessary skills to bridge the gap between academia and industry. The students at Dronacharya College of Engineering, Gurugram are motivated to move out of the bookish world and do the things practically in order to make them ready to face and grow in this competitive world. Apart from curriculum, importance is also given to enhance skills like dynamic learning, problem solving, critical thinking, logical development and analytical learning through practical situations. Students are encouraged to volunteer and participate in practical problem solving and application of textbook education in real life scenarios.

2. Skill development:

Keeping in view the growing demand of skilled technocrats in public and private sector, institute focuses to enhance both hard skill and soft skill of the students. Institute at regular interval organize many workshops, seminar, guest lecture to make students aware of latest technology. Apart from technical skill for the overall personality development of student's institute also organize many sessions on life skills, communication skill, problem solving skill, decision making skill. Institute engages and motivates learners to develop the vocabularies from first year onwards to speak and write in English without mistakes.

3. Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

The preservation and promotion of India's cultural wealth must be considered a high priority for the country, as it is truly important for the nation's identity as well as for its Economy. In this regard appropriate integration of the Indian Knowledge system particularly teaching in Indian languages is important. Equal importance is given to Hindi, language as well. Faculty members teach in both the languages English as well as Hindi. Institute celebrates Hindi Diwas in campus. Students are allowed to express their views in Indian Language also.

4. Focus on Outcome based education (OBE):

Institute focus upon outcome based education. The emphasis is laid upon practical knowledge, i.e more of learning by doing, presentations, industrial visits, seminars, etc. The college analyses the potential of each individual and makes sure that the student is ready with all those competencies which are required to make him/her corporate ready. All the skills which are needed by the student at the end of the programme are inculcated so as to make the student industry ready. The faculty of the institution focuses on the four principles of OBE viz: Clarity of focus, Designing down, High expectations and Expanded opportunities. The students are given adequate time to attain the mastery on the field of study and are given adequate support whenever there are some challenges.

5. Distance education/online education:

During the time of COVID-19 crises, when the colleges were shut for offline classes, the college does not limit the learning of students at any cost. The faculty members were directed to make use of the online platforms like Microsoft Teams and Google Meet to make the students learn. The learning was not hampered at any cost. Even the students who were in their hometown easily learnt the technical skills and enhances the communication skills sitting at home. Virtual labs are also created in the institution wherein students can practice their theoretical knowledge and make course content available in different languages. Digital learning is promoted by the institution even after the pandemic is over. Webinars and online interactive sessions with the international professors are also focused upon so that students can learn international methodologies.

2.3.2 Teachers use ICT enabled tools for effective teaching-learning process.

QM Write description in maximum of 200 words

In this fast growing technological world, it is very essential to learn the latest technology in order to be corporate ready. The institute promotes use of ICT enabled tools in the teaching-learning process. Some of the efforts taken by the institute to provide e-learning atmosphere in the classroom are as follows:

In addition to traditional board and chalk teaching, faculty members are using the IT-enabled learning tools like power point presentation, videos, audios, virtual labs in order to expose the students for advance knowledge and practical learning.

- Classrooms are having necessary ICT Tools like projectors.
- Library has a wide range of e-resources. E-Resources can be accessed from any networked computer in the institute.
- Add-on course on advance technology through ICT (IITK, IITB, NITTTR Chandigarh).
- MOOC Platform (NPTEL, SWAYAM, Coursera) Online classes on MS Teams, Google Meet, Zoom. Participation in virtual International Conferences, Workshops and Competitions
- Auditorium and conference room are digitally equipped for guest lectures, seminars, workshop, placement activity.
- Faculty members prepare lecture video and upload on you tube channel of the institute for studentreference.
