

7.1.3 Quality audits on environment and energy regularly undertaken by the Institution. The institutional environment and energy initiatives are confirmed through the following

- 1. Green audit / Environment audit
- 2. Energy audit

www.dronacharya.i

- 3. Clean and green campus initiatives
- 4. Beyond the campus environmental promotion activities

**DVV Requirement:** Provide Policy document on environment and energy usage. And provide certificate from the auditing agency for Green audit / Environment audit and Energy audit. Provide Certificates of the awards received from recognized agency (if any). Provide report on environmental promotional activities conducted beyond the campus with geo-tagged photographs with caption and date.

HEI Input: Required documents are attached herewith

Principal Dronacharya College of Engineering Farrukh Nagar, Gurgaon.

# Policy Document on Environment and Energy Usage

Dronacharya College of Engineering, Gurugram recognize the importance of sustainable development and the protection of the environment for the well-being of the community and future generations. We believe that it is our responsibility to adopt measures that minimize our impact on the environment and promote the efficient use of energy resources. This policy outlines our commitment to environmental sustainability and energy conservation.

### **Objectives**

- To maintain a green campus by regularly conducting 'Green Audit.'
- To spread awareness regarding environmental issues, recycling of resources, energy conservation and tree plantation round the year.
- To undertake measures to protect environment viz: ban on single use plastic, promoting pooling of automobiles, etc.

#### **Practices**

dronachar

Following are the measures of DCE, Gurugram towards protecting environment and its resources:

- i. Environmental Sustainability
- ii. Energy Conservation

Principal Dronacharya College of Engineering Farrukh Nagar, Gurgaon.

### **Environmental Sustainability:**

Following shall be the mandates towards maintaining the Environment:

- Complying with all applicable environmental laws and regulations.
- Continually assessing operations and identifying opportunities to reduce our environmental impact.
- Prioritizing the use of environmentally sustainable products, materials, and processes in operations.
- Promoting responsible waste management practices, including reducing, reusing, and recycling waste wherever possible.
- Striving to minimize carbon footprint and reduce greenhouse gas emissions.
- Felicitating the guests in the college by presenting saplings.
- Conducting programs for environment protection and conservation.
- Promoting mandatory ban on plastic items like- plastic carry bags, cups, plates, forks, spoons, bottles, straws, etc., which are thrown after single use.
- Making mandatory for all the students and employees of the institution to avoid the use of non-biodegradable plastic items in the premises.
- Encouraging use of environment- friendly substitutes like cloth bags, paper bag, steel lunch boxes, etc.
- Making PUC check mandatory for all the vehicles.
- Allowing registered vehicles upto the parking area.

dronachar

Principal Dronacharya College of Engineering Farrukh Nagar, Gurgaon.

### **Energy Conservation:**

- Prioritizing the use of energy-efficient products and technologies in operations.
- Monitoring and measuring energy consumption regularly to identify opportunities for improvement.
- Exploring renewable energy sources, such as solar and wind power, and consider their integration into operations.
- Regularly checking for leak detection and repair of leaks.
- Encouraging employees and stakeholders to conserve energy by implementing energysaving practices:
- i. Use of Biogas.
- ii. Switching-off the lights and fans when not in use
- iii. Maximum use of natural light.
- iv. More usage of LED lights.
- v. Purchasing star rated appliances for energy conservation.
- vi. Screen time saver for minimizing energy consumption.
- vii. Minimum use of AC.

#### **Responsibilities:**

w.dronachar

The management team is responsible for implementing and monitoring this policy.

All employees are responsible for complying with this policy and contributing to the achievement of environmental and energy conservation goals.

Principal Dronacharya College of Engineering Farrukh Nagar, Gurgaon.

# **Conclusion:**

www.dronacharya.info

We are committed to protecting the environment and conserving energy resources in all aspects of our operations. We will continually assess our performance and strive for improvement, ensuring that we meet or exceed our environmental and energy conservation goals.

Principal Dronacharya College of Engineering Farrukh Nagar, Gurgaon.
