

India chapter of ACM SIGKDD

ACM India Special Interest Group
On Knowledge Discovery and
Data Mining

Uplink Internship Program 2024

Eligibility Criteria

A bachelors candidate must be studying in the 3rd year of the program & a masters candidate must be studying in the 1st year of the program.

There are no restrictions on the department or specialization area of the student as long as they meet other eligibility criteria.

We plan to support about 12 students.
