

DevRev Forge

A 10 Day Long Online Hackathon

16th Feb - 25th Feb 2024

DevRev Forge presents a unique opportunity for students to gain hands-on experience in the latest LLM technologies. Participate as an individual or as a team to build snap-ins integrating various APIs, creating algorithms for generative content, and utilizing AI technologies to enhance digital engagement.

Prizes

1st Prize

₹1,50,000

2nd Prize

₹1,00,000
