

CAMPUS STARS

S E A S O N - 6

ET Campus Stars is India's largest hunt for the brightest engineering minds. With each edition, ETCS identifies and encourages engineers who potentially are drivers of India's growth, providing them with a platform to showcase their professional and individual competence. ET Campus Stars is an initiative of EconomicTimes.com, a wholly owned subsidiary of Times Internet Limited.

Eligibility Criteria

Any student, currently in the third or final year of a four-year engineering undergraduate course, from any AICTE approved engineering college in India, can participate in the program.
