

# Hack NITR 5.0

9th and 10th March

HackNITR 5.0 is a hackathon to encourage you to use your imagination & invention to develop cutting-edge technology-based solutions to challenges in the real world. It was put together by a large group of tech enthusiasts from Google Developer Student Club (GDSC) NIT Rourkela & OpenCode. The main goal is to grow our local community & give hackers an unforgettable experience. The plethora of fun & excitement is waiting for you on 9th-10th March.

Hop on the bandwagon, and join one of India's largest Student-run hackathons.  
HackNITR is back with version 5.0, which is now fully offline!
