Register

Registration Deadline: 22 April, 2022

Smart India Hackathon is a nationwide initiative to provide students with a platform to solve some of the pressing problems we face in our daily lives, thus inculcate a culture of product innovation and a mindset of problem solving.

World's biggest open platform for the innovators or entrepreneurs

Ingenious

Harnessing creativity and expertise of students, academicians and visionaries

Engaging

Sparking institute-level hackathons, fuelling imagination

Futuristic

Building funnel for 'Start-up India' campaign

Collaborating

Crowdsourcing intelligence for improving governance and quality of life

Empowering

Enabling possibilities and enhancing opportunities for citizens to deliver innovative solutions to India's daunting problems
