Subject: Dronacharya Group of Institutions - Greater Noida student brings laurel to Dr.A.P.J.Abdul Kalam Technical University, wins Accenture Innovation Challenge 2017.

Accenture Innovation Challenge 2017 Bangaluru, 29th November 2017

Dronacharya Group of Institutions - Greater Noida student brings laurel to Dr.A.P.J.Abdul Kalam Technical University, wins Accenture Innovation Challenge 2017.

The Accenture Innovation Challenge looks for innovators in campuses across India. This is an exciting chance to make innovative ideas heard on a national platform where winners stand to gain exciting prizes, recognition and opportunities to lead in Accenture. The Accenture Innovation Challenge is for full-time college students of India, aged 18 years or above. The themes of the contest for the year 2017 were '**Disruptive Businesses**' and '**Tech for Good**'.

Mr. Mohan Sekhar, Senior Project Director at Accenture said that for Accenture Innovation Challenge 2017, more than 7000 ideas were submitted from across the country during the last couple of months. All submitted ideas were evaluated on the basis of three criteria - innovativeness, technical feasibility and impact. The top 12 teams were called to Bangaluru for the final presentation on 27th and 28th November 2017.

The project BinBot, developed by Mainak Pakira, a student of Dronacharya Group of Institutions, Greater Noida, under the guidance of Mr.Raj Ranjan Prasad was selected in the Final 12.

In the Grand Finale held on 28th November 2017 at Bangaluru, Mainak Pakira bagged the Disruptive Business Category award. Along with the Honour Certificate, Mainak Pakira received Prizes worth Rs.50000/-.

Winners in other categories were from IIT Madras, IIT Kharagpur and IIT Roorkee.

Report

on

Dr. Pradeep P. Thevannoor Innovation Awards 2016

9th-10th February 2017

Dr. Pradeep P. Thevannoor Innovation Award-2016 were organized by SCMS School of Engineering and Technology, Karukutty, Kerala on 9th – 10th February 2017. Project titled "Bin-Bot" made by Mr. Mainak Pakira and Mr. Manish Chamoli, students of ECE 3rd year under the guidance of Mr. Raj Ranjan Prasad, Assistant Professor-ECE from Dronacharya Group of Institutions, Greater Noida shortlisted for this award.

The purpose of this project is to make a robot which can perform the very beginning level of waste management. This robot can move on a desired path from the source to destination. It will collect waste from person to person and segregate the waste on the spot and collect in separate bins. This project also has an auto lid system which will cover the dustbin properly and open when needed with the help of infrared sensor. This will prevent rodents, several diseases like malaria, dengue etc., foul smell and littering of waste due to rain and wind. It will be great contribution in "Swachh Bharat Abhiyan".

"Bin-Bot" was shortlisted for round-1 on **6th January 2017** among more than 700 projects submitted from different universities and asked to provide a detailed report for the possible selection to the semi-final round. On 28th January 2017, this project ranked within the best 15 submissions and qualified for Semi-Final and Exhibition round scheduled on **9th and 10th February 2017** at the Main Auditorium of SCMS School of Engineering and Technology, Karukutty, Kerala.

Program inaugurated on **9th February, 2017** at **9:00 AM** by **Dr. Radha Thevannoor (Group Director of SCMS)** with lightning of lamp followed by registration. After registration, all the semi-finalists were sent to the prescribed stall for setting up of their projects.

From 10:00 AM, students from different schools and colleges of Kerala came to visit the stalls. Participants from different part of the country demonstrated the live working model of their projects. After the visit of students, judges visited to every project and asked different questions related to their projects. Judges reached to the stall of project titled "Bin-Bot" of Dronacharya Group of Institutions, Greater Noida where team members of the project along with their mentor explained everything about the project. Judges were happy to see the hard work and gave appreciation for the innovative idea.

At the end of the day, results declared for top five finalist in which "Bin-Bot" of Dronacharya Group of Institutions, Greater Noida was one of the top five finalists. Project titled "Bin-Bot" got lots of appreciation and applause from the college and the volunteers.

On second day, i.e., 10th February 2017, finalists reached to the venue for final round. All the finalists reached in conference hall for the final exhibition. Different directors and professors from esteemed colleges visited the stall of "Bin-Bot" where team members gave them a brief explanation about this project.

Director
Dronacharya Group of Institutions
27, KP-III, Greater Noida-201306

A panel of 5 Judges came for the final evaluation, so it was final chance for all the finalists to put a mark on the judges. Team of DGI, Greater Noida did their best to explain and demonstrate their innovative idea.

After final evaluation of projects by the panel of judges, all the finalists were sent to the auditorium for the closing ceremony. **Mr. Varun Gandhi (Honourable Member of Parliament)** was the chief guest of the ceremony. **Mr. Santhosh Kurup (CEO, ICT Academy of Kerala), Prof. M. Madhavan (Director, SSET, Cochin), Dr. Radha Thevannoor (Group Director, SCMS Group, Cochin)** and **Dr. E. M. Somasekharan Nair (HOD, ME, SSET, Cochin)** were also invited for the ceremony.

Closing ceremony started with the speech of **Dr. E. M. Somasekharan Nair (HOD, ME, SSET, Cochin)** in which he briefed about **Dr. Pradeep P. Thevanoor** and his contribution towards education. After that he congratulated all the participants and faculty members for the successful event.

Mr. Santhosh Kurup (CEO, ICT Academy of Kerala) talked about entrepreneurship and gave idea about how to be independent in the financial market and how students can make an impact on MAKE IN INDIA and DIGITAL INDIA initiative.

After the speech of Mr. Santosh Kurup, **Mr. Varun Gandhi (Honorable Member of Parliament)** addressed the audience and covered many important areas including farmers, GDP, education sector, demonetization and research centres.

Finally, **Dr. Radha Thevannoor (Group Director, SCMS Group, Cochin)** declared the winners and runners-up of school and college levels and prizes were distributed to all the finalists by **Mr. Varun Gandhi**. Students of Dronacharya Group of Institutions, Greater Noida, won a cash prize worth Rs. 10000 and certificate of appreciation. Program came to an end with the vote of thanks by Dr. Radha Thevannoor to all the participants.
