

## STUDENT LED CLUBS

DGI has **10 students led clubs** in the campus, where students are involved in managing and organizing the events throughout the year, this gives students a platform to explore their extra-curricular skills and develop leadership qualities. It is observed that the students leading the club activities become self-motivated, have a great self-esteem, confidence, leadership qualities, develop time management skill, which helps in academic and career progress of the student.

### NSS CLUB

The motto of NSS is “Not Me But You” The National Service Scheme (NSS) Central Sector Scheme of Government of India Ministry of Youth Affairs & Sports. The scheme was launched in 1969 (Gandhiji's Centenary year, 1969). NSS is a voluntary association of young people in Colleges and Universities working for a campus-community linkage. Objective of the Scheme: Developing student's personality through community service and to provide hands on experience to young students in delivering community service. NSS Unit of college acts as a catalyst of build up the right type of leadership in the institutions. NSS programmes reflect the essence of democratic living and uphold the need for self-less service among students.

## **ROBOTIC CLUB**

The concept and creation of autonomously operating machines dates back a long time, but credible research into the functionality and potential uses of robots did not grow substantially until the 20th century. And today, robotics is a rapidly growing field, as we continue to research, design and build new robots that serve various practical purposes including domestic, commercial and military. Having said that, the Robotics Club of DRONACHARYA strives to stimulate interest in robotics among the students of the institute. Besides making a serious endeavour to spread knowledge on Robotics and its diverse applications, it also stands by the subtle acronym of TEAM - 'Together Everyone Achieves More'. It is this exemplary virtue that has bound the club and helped it to grow to its present potential.

Robotics Club, Dronacharya Group of Institutions, Greater Noida endeavors to build interest in robotics among the students of the college. Students are provided with fully equipped Robotics Lab where students can build their ideas under the guidance of experienced staff members. Club supports and fosters interest in various aspects related to robotics.
